

# IP5 Battery Cabinet

Designed for 480VDC & 240VDC Link UPS Systems

Effective Date: 05/11/10

Bulletin Number: 011150-1

## Features:

-  UL Listed with factory assembly.
- IBC 2006 Seismic Certified.
- One of the tightest footprints available. A space saving footprint saves valuable equipment room floor space.
- Designed to accommodate all VRLA UPS battery makes and models.
- Cabinet mechanical features:
  - Welded heavy gauge steel welded construction.
  - Acid resistant powder coat epoxy paint.
  - Doors and panels remove easing installation and maintenance.
  - Front and back of cabinet accessible to standard material handling equipment.
  - Can be installed in single or multiple cabinet lineup as adjacent to each other or in a remote configuration.
  - Side panels designed as universal for installation on either side.
  - Dedicated area for electrical output connections and cable routing.
  - Designed for monitor harness installation.
  - Locking right door has pocket for manuals and maintenance records.
  - Knockouts are spaced apart to allow up to 4" conduit.
- System electrical features:
  - DC rated breakers in each cabinet with UVR or Shunt Trip and 2A/2B Aux. Contacts.
  - Breaker installed horizontally to lessen the chance of opening during a seismic event.
  - Batteries accessible from all sides of the cabinet.
- Optional items include:
  - Floorstands
  - Seismic Anchor Brackets
  - Spill Containment Pans
  - Installation of battery monitors or harnesses
  - Main battery system breaker rated up to 2500 amps in separate line up and match frame.

*For applications assistance or system specific drawings of a lineup configuration, please contact the IntraPack Staff.*

*Locking right door has pocket for manuals and maintenance records*

*Front view and side view and dimensions of frame only, no panels  
all measurements shown in inches*

*Top view and bottom view shown with panels. Each panel adds .87" to the width*

*Isometric views shown with and without side panels*

Not a purchase, an investment.
