# Eye/Face Wash

---

---

Bright, durable, portable eye and face wash. Great for industrial plants, construction areas, or any site without a permanent plumbed-in water source.

SPI0016

## Specifications:

- 16 gallon tank is self-contained and does not require a plumbed water supply.
- Wide rear opening for easy filling, inspection, and cleaning.
- Steady flow of water or buffered solution to flush eyes and face when vision is impaired.
- Tray securely shuts off water flow and keeps nozzles free from airborne contamination.
- Includes a nontoxic bacteriostatic additive.
- Mounts in an upright position on a wall or shelf.
- 3 ft long drain hose.
- Dims: 22 1/2"H x 21 1/2"W x 19 1/2"D
- Flow rate: 0.4 gpm for 15 minutes.

In compliance with ANSI Z358.1-1998 and CSA certified.
